▶ Kansas State Friends

Becky: a very good friend, bubbly, not into the whole gothic chic thing, and has a boyfriend who's boyfriend ex-best friend called Alexander a vampire and we all hate him.

Alexander: a Romanian, could be a vampire, also loves the movie Kissing Coffins, he never comes out in the day, home schooled, and I've never met his parents.

Jagger: he is very mysterious I don't know much about him.

Aunt Libby: a very cool hippy and loves to act. Dad and her don't talk a lot because she is still a hippy and didn't grow up.

Interests:

I love to sit at home a watch my favorite scary movies. My favorite movie of all time is Kissing Coffins. In my free time I like to hang out with my best friend Becky and my boyfriend Alexander. I love wearing black nail polish and Wicked Wicca t-shirts. I hate sports and people who play them.

About Me:

I was born and raised in Dullsville the most boring place ever. I love to shop at Hot Gothic's. My best friend is Becky; she is the complete opposite of me. I can't find my boyfriend. I think he left me to go back to Romania but I have reason to think that he is a vampire. I am going to Hipsterville to investigate. I am going to go and visit my aunt but while i'm there I'm going to search for him. My brother's friend made me a fake ID so I can get into the Coffin Club to find Alexander. While I'm there I find Jagger. Jagger knows where Alexander is and who he is. Into the story I start to find out about Alexander and Jagger. By the end of the story I almost got turn into a vampire, but in the end I want to be a vampire.
